**FLORIDA CITIZENS EMERGENCY ASSESSMENT
POLICYHOLDER DISCLOSURE NOTICE**

2007 FLORIDA CITIZENS EMERGENCY ASSESSMENT (FL Citizens EA-07)

In January 2007, the Florida OIR issued an order approving the certification of an Emergency Assessment by Citizens for its HRA.

Citizens determined that the 2005 Plan Year deficit in the HRA exceeds the maximum amount recoverable via a Regular Assessment and therefore an Emergency Assessment was needed.

It concluded that the remaining deficit, after the collection of the Regular Assessment, which is to be funded through the Emergency Assessment is \$887,502,331. This amount is to be amortized over a period of ten (10) years and is based on an initial annual assessment 1.40% on the direct written premium of all subject lines of business.

The order requires us to collect **1.00%** of premiums we write in the following lines of business: fire and allied lines. This premium surcharge is applicable to policies with inception dates **on or after July 1, 2011** and to any endorsements to such policies.

As respects theft, the term Occurrence as referred to elsewhere within the policy means the sum total of all losses of covered property resulting from one or more concealed acts committed by one person or more than one person acting in unison to the extent such loss is not otherwise excluded under this policy.

The deductible amounts specified above shall not apply to general average contributions, salvage charges and sue and labor expenses.

5. LOSS PAYABLE

Loss, if any, shall be adjusted with and payable to 24 Hour Holdings I Corp., or order whose receipt shall constitute a release in full of all liability under this policy with respect to such loss.

6. TERRITORY

This policy covers loss occurring anywhere within the 50 states comprising the United States of America including the District of Columbia.

7. COVERAGE

Except as hereinafter excluded, this policy covers;

A. Real and Personal Property

- 1) The interest of the Insured in all real and personal property including but not limited to property owned, used, leased or intended for use by the Insured, or hereafter constructed, erected, installed, or acquired, including while in course of construction, erection, installation, and assembly. In the event of loss or damage, the Company(ies) agrees to accept and consider the Insured as sole and unconditional owner of improvements and betterments, notwithstanding any contract or leases to the contrary.
- 2) The interest of the Insured in real and personal property of others in the Insured's care, custody, or control.
- 3) Real and personal property which the Insured is responsible for or has agreed to insure.
- 4) At the option of the Insured, personal property of the Insured's officials, employees and representatives while on the premises of the Insured. This insurance shall then act as primary insurance, except as respects employees' automobiles.
- 5) Contractors' and vendors' interest in property covered to the extent of the Insured's liability imposed by law or assumed by contract, whether written or oral.

B. Business Interruption

- 1) Loss resulting from necessary interruption of business conducted by the Insured, whether total or partial, and caused by loss, damage, or destruction covered herein during the term of this policy to real and personal property as described in Clause 7.A.
- 2) If such loss occurs during the term of this policy, it shall be adjusted on the basis of ACTUAL LOSS SUSTAINED by the Insured, consisting of the net profit which is thereby prevented from being earned and of all charges and expenses only to the extent that these must necessarily continue during the interruption of business excluding Ordinary Payroll and only to the extent such charges and expenses would have been earned had no loss occurred.

“Ordinary payroll” is defined to be the entire payroll expense for all employees of the Insured except officers, executives, department managers, employees under contract, and other important employees as determined by the Insured.

- 3) In the event of loss, damage, or destruction covered herein to property as described in Clause 7.A, which results in an interruption of research and development activities which in themselves would not have produced income during the indemnity period, this policy shall cover the actual loss sustained of the continuing fixed charges and expenses, including Ordinary Payroll directly attributable to such research and development activities.
- 4) However, the Company(ies) shall not be liable under this Clause B. for any loss resulting from damage to or destruction of finished stock nor for the time required to reproduce said finished stock. Finished stock shall mean stock manufactured by the Insured which in the ordinary course of the Insured's business is ready for packing, shipment, or sale.
- 5) Resumption of Operations: If the Insured, by reasonable means within its control, could reduce the loss resulting from the interruption of business:
 - (a) by a complete or partial resumption of operation of the property insured, whether damaged or not; or
 - (b) by making use of available stock, merchandise, or other property; such reduction shall be taken into account in arriving at the amount of loss hereunder.
- 6) Experience of the Business:
 - (a) In determining the amount of net profit, charges and expenses covered hereunder for the purpose of ascertaining the amount of loss sustained, due consideration shall be given to the experience of the business before the date of damage or destruction and to the probable experience thereafter had no loss occurred to real or personal property as described in Clause 7.A.
 - (b) With respect to alterations, additions, and property while in the course of construction, erection, installation, or assembly, due consideration shall be given to the available experience of the business after completion of the construction, erection, installation, or assembly.
 - (c) With respect to property under course of construction, delay in opening caused by an insured peril, loss shall be deemed an insured loss for business interruption purposes if the business operations fail to begin on the scheduled completion date existing at the time of insured loss, all other issues being equal. The loss

amount shall be determined by evaluating the actual income experienced after actual reopening and applying said levels of income experienced for the time delay period. The time delay period is equal to the difference between the actual opening date of operation and the scheduled completion date existing at the time of the insured loss.

C. Extra Expense

- (1) Extra Expense incurred resulting from physical loss, damage, or destruction covered herein during the term of this policy to real or personal property as described in Clause 7.A.

D. Rental Value

- (1) Rental Value loss sustained by the Insured resulting directly from the necessary untenability, during the period of restoration caused by loss, damage, or destruction covered herein during the term of this policy to real and personal property as described in Clause 7.A. but not exceeding the reduction in rental value less charges and expenses which do not necessarily continue during the period of untenability.
- (2) "Rental Value" is defined as the sum of:
 - (a) the total anticipated gross rental income from tenant occupancy of the described property as furnished and equipped by the Insured; and
 - (b) the amount of all charges which are the legal obligation of the tenant(s) and which, because of loss, would otherwise be obligations of the Insured; and
 - (c) the fair rental value of any portion of said property which is occupied by the Insured.
- (3) Experience of the Business:
 - (a) In determining the amount of rental value covered hereunder for the purposes of ascertaining the amount of loss sustained, due consideration shall be given to the rental experience before the date of damage or destruction and to the probable experience thereafter had no loss occurred to real and personal property as described in Clause 7.A.
 - (b) With respect to alterations, additions, and property while in the course of construction, erection, installation, or assembly, due consideration shall be given to the available rental experience of the business after completion of the construction, erection, installation, or assembly.

E. Royalties

- (1) Loss of income to the Insured under royalty, licensing fees, management fees and/or commission agreements between the Insured and another party which is not realizable due to loss, damage, or destruction by any of the perils covered herein during the term of this policy to property of the other party.
- (2) If such loss occurs during the term of this policy, it shall be adjusted on the basis of ACTUAL LOSS SUSTAINED of such income referred to in paragraph 1 above, which would have been earned had no loss occurred.

- (3) Resumption of Operations: The Insured shall influence, to the extent reasonably possible, the party with whom the agreement described in paragraph 1 above has been made to use any other machinery, supplies or locations in order to resume business so as to reduce the amount of loss hereunder, and the Insured shall cooperate with that party in every reasonable way to effect this, but not financially unless such expenditures shall be authorized and paid by the Company(ies).
- (4) Experience of the Business: In determining the amount of income derived from the agreement(s) described in paragraph 1 above for the purpose of ascertaining the amount of loss sustained, due consideration shall be given to the amount of income derived from such agreement(s) before the date of damage or destruction and to the probable amount of income thereafter had no loss occurred to real and personal property of the type insured under this policy of such other party.

F. Time Element Extensions

- (1) This policy, subject to all provisions and without increasing the limits of this policy, also insures against loss resulting from damage to or destruction by causes of loss insured against, to:
 - (a) Contingent Time Element and Contingent Extra Expense: property that wholly or partially prevents any direct supplier of goods and/or services to the Insured from rendering their goods and/or services, or property that wholly or partially prevents any direct receiver of goods and/or services from the Insured from accepting the Insured's goods and/or services, such supplier or receiver to be located anywhere within the 50 states comprising the United States of America including the District of Columbia.

There is no liability for any loss resulting from Contingent Time Element and Contingent Extra Expense that is insured under subparagraph identified as Service Interruption (Clause 7.K).
 - (b) Impounded Water: dams, reservoirs, or equipment connected therewith when water, used as a raw material or used for power or for other purposes, stored behind such dams or reservoirs is released from storage and causes an interruption of business, not to exceed 30 consecutive days, as a result of lack of water supply from such sources;
 - (c) Leader Property: property not owned or operated by the Insured, located within (5) statute miles of the Insured premises, which attracts business to the Insured.
- (2) Interruption by Civil or Military Authority: This policy is extended to cover the loss sustained during the period of time when access to real or personal property is prohibited by order or action of civil or military authority issued in connection with or following a peril insured against within five (5) statute miles of the insured premises and for a period not to exceed thirty (30) days.
- (3) Ingress/Egress: This policy is extended to cover the loss sustained during the period of time when, in connection with or following a peril insured against, access to or egress from real or personal property is prevented within five (5) statute miles of the insured premises and for a period not to exceed thirty (30) days.

G. Provisions Applicable to Business Interruption, Extra Expense, Rental Value and Royalties Coverages

- (1) Period of Recovery: The length of time for which loss may be claimed:
 - (a) shall not exceed such length of time as would be required:

16. EXCESS INSURANCE

Excess insurance is insurance over the limit of liability set forth in this Policy. The existence of such excess insurance shall not prejudice the coverage provided under this Policy nor will it reduce any liability hereunder.

Step Down / Drop Down / Priority of Payments

A. Primary

Any recoveries made under the primary shall first apply to loss or damage not insured against by the excess policy(ies). Upon exhaustion of the primary limit, the excess policy(ies) shall step down and be liable for loss in the excess of the amount attributed to

such policy as respects loss or damage insured thereunder subject to the excess policy(ies) limits.

B. Excess

The amount of loss from any one occurrence, for which this policy is excess, shall be determined by combining the loss, damage or expense as insured under the primary policy.

In the event of loss or damage involving more than one coverage or peril, the Limits of Liability of the underlying policies shall first apply to the coverage(s) or peril(s) not insured by this policy, and the remainder, if any, to the coverage(s) or peril(s) as provided hereunder. Upon erosion or exhaustion of the Limits of Liability of underlying policy(ies), this policy shall then be liable for the loss uncollected from the coverage(s) or peril(s) insured hereunder, subject to the Limit of Liability specified herein.

In the event of reduction or exhaustion of the aggregate limit(s) in respect of flood and/or earthquake designated in the underlying policy(ies), it is hereby understood and agreed that such insurance as afforded by this policy shall apply in excess of the reduced or exhausted underlying limits.

- A. Underlying insurance is insurance on all or any part of the deductible and against all or any of the causes of loss covered by this policy including declarations of value to the carrier for hire. The existence of such underlying insurance shall not prejudice or affect any recovery otherwise payable under this policy.

18. OTHER INSURANCE

Except for insurance described by the contributing insurance clause, the excess insurance clause, or the underlying insurance clause, this policy shall not cover to the extent of any other collectible insurance, whether directly or indirectly covering the same property against the same causes of loss. The Company(ies) shall be liable for loss or damage only to the extent of that amount in excess of the amount recoverable from such other collectible insurance. As used herein, "other collectible insurance" does not include self-insurance, deductibles, self-insured retentions or fronting policies.

19. SUBROGATION

- A. Any release from liability entered into by the Insured prior to loss hereunder shall not affect this policy or the right of the Insured to recover hereunder. The right of subrogation against the Insured, affiliated, subsidiary, and associated companies or corporations, the Insured's officers, directors, and employees, or any other corporations or companies associated with the Insured through ownership or management, or between contractors, subcontractors, sub-subcontractors, and at the option of the Insured against a tenant, vendor, supplier, guest, or customer of the Insured, is waived.
- B. In the event of any payment under this policy, the Company(ies) shall be subrogated to the extent of such payment to all the Insured's rights of recovery therefore. The Insured shall execute all papers required and shall do anything that may be reasonably necessary at the

expense of the Company(ies) to secure such right. The Company(ies) will act in concert with all other interests concerned, i.e., the Insured and any other Company(ies) participating in the payment of any loss as primary or excess insurers, in the exercise of such rights of recovery.

If any amount is recovered as a result of such proceedings, the net amount recovered after deducting the cost of recovery shall be divided between the interests concerned in the proportion of their respective interests. If there should be no recovery, the expense of proceedings shall be borne by the insurers instituting the proceedings.

20. SALVAGE AND RECOVERIES

All salvages, recoveries and payments, excluding proceeds from subrogation and underlying insurance, recovered or received prior to a loss settlement under this policy, shall reduce the loss accordingly. If recovered or received subsequent to a loss settlement under this policy, such net amounts recovered shall be divided between the interests concerned, i.e. the Insured and any other Company(ies) participating in the payment of any loss, in the proportion of their respective interests.

21. MACHINERY

In case of loss or damage insured against to any part of a machine or unit consisting of two or more parts when complete for use, the liability of the Company(ies) shall be limited to the value of the part or parts lost or damaged or, at the Insured's option, to the cost and expense of replacing or duplicating the lost or damaged part or parts or of repairing the machine or unit.

22. ERRORS OR OMISSIONS

Any unintentional error or omission made by the Insured shall not void or impair the insurance hereunder provided the Insured reports such error or omission as soon as reasonably possible after discovery by the Insured's home office insurance department.

23. NOTICE OF LOSS

As soon as practicable after any loss or damage occurring under this policy is known to the Insured's Home Office Insurance Department, the Insured shall report such loss or damage to Jodi Jennings, Lockton Inc., 4725 Piedmont Row Dr., Suite 510, Charlotte, NC 28210 for transmission to the Assigned Adjuster. Any delay by the Insured in providing notice shall not affect the Insured's right to coverage under this policy, except if and to the extent that the Company(ies) proves that it actually and substantially was prejudiced by any unreasonable delay in notice.

24. PROOF OF LOSS

The Insured, at the request of the Company(ies), will render a signed and sworn proof of loss to the Company(ies) or its appointed representative stating: the place, time, cause of the loss, damage, or expense; the interest of the Insured and of all others; the value of the property involved in the loss; and the amount of loss, damage, or expense.

25. PARTIAL PAYMENT OF LOSS

In the event of a loss covered by this policy, it is understood and agreed that the Company(ies) will issue partial payment(s) of claim subject to the policy provisions, and shall not be less than the undisputed estimate of loss or damage between the Insured and the Company(ies).

26. ASSIGNED ADJUSTER

It is agreed that at the Insured's option, the Company will use:

Michael R. Allen
McLarens
180 Montgomery Street, Suite 2100
San Francisco, CA 94104

for the adjustment of all claims made against this policy. This assignment may be changed by mutual consent of the Insured and the Company(ies). Copies of routine monthly/quarterly reports including reserve amounts to be copied to the Attention of Jodi Jennings, Lockton Inc., 4725 Piedmont Row Dr., Suite 510, Charlotte, NC 28210.

27. APPRAISAL

If the Insured and the Company(ies) fail to agree on the amount of the loss, each, upon written demand of either the Insured or the Company(ies) made within 60 days after receipt of proof of loss by the Company(ies), shall select a competent and disinterested appraiser. The appraisers shall then select a competent and disinterested umpire. If they should fail for 15 days to agree upon such umpire, then upon the request of the Insured or of the Company(ies), such umpire shall be selected by a judge of a court of record in the county and state in which such appraisal is pending. Then, at a reasonable time and place, the appraisers shall appraise the loss, stating separately the value at the time of loss and the amount of loss. If the appraisers fail to agree, they shall submit their differences to the umpire. An award in writing by any two shall determine the amount of loss and shall be paid by the Company(ies) within 30 days thereafter. The Insured and the Company(ies) shall each pay his or its chosen appraiser and shall bear equally the other expenses of the appraisal and of the umpire. However, if the award is greater than the amount offered by the Company(ies) in payment of the loss at any time before the award is rendered, then the Company(ies) shall pay 100% of the fees and expenses for each appraiser and the umpire and for the appraisal.

28. PAIR AND SET

Except as provided under the Machinery clause and paragraph (3) of the Consequential Loss clause, in the event of loss or damage insured against to any article or articles which are a part of a pair or set, the measure of loss or damage to such article or articles shall be, at the Insured's option:

- A. the reasonable and fair proportion of the total value of the pair or set, giving consideration to the importance of said article or articles, but in no event shall such loss or damage be construed to mean total loss of the pair or set; or
- B. the full value of the pair or set provided that the Insured surrenders the remaining article or articles of the pair or set to the Company(ies).

29. ASSISTANCE AND COOPERATION OF THE INSURED

The Insured shall reasonably cooperate with the Company(ies), and, at the Company's reasonable request and expense, shall attend hearings and trials and shall assist in effecting settlements, in securing and giving evidence, in obtaining the attendance of witnesses and in conducting suits.

30. SUE AND LABOR

In case of actual or imminent loss or damage covered by this policy except imminent loss or damage as respects an "accident", it shall, without prejudice to this insurance, be lawful and necessary for the Insured, their factors, servants, or assigns to sue, labor and travel for, in and about the defense, the safeguard, and the recovery of property or any part of the property insured hereunder; nor, in the event of loss or damage, shall the acts of the Insured or of the Company(ies) in recovering, saving,

and preserving the insured property be considered a waiver or an acceptance of abandonment. The Company(ies) shall pay the expenses so incurred.

31. PAYMENT OF LOSS

All adjusted claims shall be due and payable to 24 Hour Holdings I Corp. no later than 30 days after presentation and acceptance of proofs of loss by the Company(ies) or its appointed representative.

32. REINSTATEMENT

With the exception of loss caused by perils which are subject to annual aggregate limits as noted in Section 3, no loss hereunder shall reduce the amount of this policy.

33. SUIT AGAINST THE COMPANY

No suit or action on this policy for the recovery of any claim shall be sustainable in any court of law or equity unless the Insured shall have fully complied with all the requirements of this policy; however, if there is any dispute between the Insured and the as to whether the Insured has fully complied with all the requirements of this policy, such a dispute may be resolved in a suit or action on the policy for recovery of any claim. The Company(ies) agrees that any action or proceedings against it for recovery of any loss under this policy shall not be barred if commenced within two years and one day after the Insured provides notice to the Company(ies) in accordance with clause 23 above, which period shall be tolled from the date of notice until the date that the Insured receives the Company's final coverage decision (this two year and one day period is referred to as the "limitations period"). However, the limitations period shall not apply if by the laws of the State of the address of the Insured such a limitation is invalid or if the laws of the state in which any such action is brought permit a longer period of time within which to commence such a suit. Furthermore, any tolling of the limitations period shall not preclude the Insured from bringing a suit or any other proceeding regarding recovery for any loss or of any claim hereunder during the period of tolling or at any other time. Prosecution of a suit by the Insured shall not be barred due to the failure of the Company(ies) to timely advise and notify the Insured of the expiration of any applicable dates to file and commence said suit.

It is agreed that in the event of the failure of the Company(ies) to pay any amount claimed to be due hereunder or in the event of any other dispute relating to this policy, the Company(ies), at the request of the Insured, will submit to the jurisdiction of any court of competent jurisdiction within the United States and will comply with all of the requirements necessary to give such court jurisdiction and all matters hereunder shall be determined in accordance with the law and practice of such court, not including the court's law regarding choice of law. The Company(ies) shall not transfer, change venue, or remove, or seek to transfer, change venue, or remove any lawsuit filed by the Insured in any such court.

34. CERTIFICATES OF INSURANCE

Any certificate of insurance issued in connection with this policy shall be issued solely as a matter of convenience or information for the addressee(s) or holder(s) of said certificate of insurance, except where any Additional Insured(s), Mortgagee(s) or Loss Payee(s) are named pursuant to the Special Provisions of said certificate of insurance. In the event any Additional Insured(s), Mortgagee(s) or Loss Payee(s) are so named, this policy shall be deemed to have been endorsed accordingly, subject to all other terms, conditions and exclusions stated herein.

The Company(ies) hereby authorizes Lockton Companies, LLC to issue certificates of insurance including any Mortgagee, Loss Payee and Additional Insured clauses.

35. MORTGAGE CLAUSE

Loss or damage, if any, under this policy, shall be payable to any mortgagee, (or trustee) as designated herein by endorsement or certificate of insurance, as interest may appear, under all present or future mortgages upon the property herein described in which the aforesaid may have an interest as mortgagee (or trustee), in order of precedence of said mortgages, and this insurance, as to the interest of the mortgagee (or trustee) only therein, shall not be invalidated by any act or neglect of the mortgagor or owner of the within described property, by any foreclosure or other proceedings or notice of sale relating to the property, nor by any change in the title of ownership of the property (provided the insured has an insurable interest in property), nor by the occupation of the premises for purposes more hazardous than are permitted by this policy; provided, that in case the mortgagor or owner shall neglect to pay any premium due under this policy, the mortgagee (or trustee) shall, on demand, pay the same.

Provided, also, that the mortgagee (or trustee) shall notify the Company(ies) of any change of ownership or occupancy or increase of hazard which shall come to the knowledge of said mortgagee (or trustee) and, unless permitted by this policy, it shall be noted thereon and the mortgagee (or trustee) shall, on demand, pay the premium for such increased hazard for the term of the use thereof; otherwise this policy shall be null and void.

The Company(ies) reserves the right to cancel this policy at any time as provided by its terms, but in such case this policy shall continue in force for the benefit only of the mortgagee (or trustee) for 10 days after notice to the mortgagee (or trustee) of such cancellation and shall then cease, and the Company(ies) shall have the right, on like notice, to cancel this agreement.

Whenever the Company(ies) shall pay the mortgagee (or trustee) any sum for loss or damage under this policy and shall claim that, as to the mortgagor or owner, no liability therefore existed, the Company(ies) shall, to the extent of such payment, be thereupon legally subrogated to all the rights of the party to whom such payment shall be made, under all securities held as collateral to the mortgage debt, or may, at its option, pay to the mortgagee (or trustee) the whole principal due or to grow due on the mortgage, with interest accrued thereon to the date of such payments, and shall receive a full assignment and transfer of the mortgage and of all such other securities; but not subrogation shall impair the right of the mortgagee (or trustee) to recover the full amount of said mortgagee's (or trustee's) claim.

36. CANCELLATION

- A. This policy may be canceled at any time at the request of the Insured or it may be canceled by the Company(ies) by mailing to the Insured at 12647 Alcosta Blvd., Suite 300, San Ramon, CA 94583, written notice stating when, not less than 90 days thereafter, such cancellation shall be effective. However, if such request by the Insured or the Company(ies) occur(s), all Additional Insured(s), Mortgagee(s) and Loss Payee(s) indicated on the certificates of insurance issued during the term of this policy shall receive written notice by mailing to the address(es) noted on the certificates, stating when, not less than 30 days thereafter, such cancellation shall be effective. The earned premium shall be computed on a pro rata basis if cancelled by the Insurer and on a short rate basis if the entire policy is cancelled by the Insured.
- B. The mailing of notice as aforesaid shall be sufficient proof of notice and the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the Insured or by the Company(ies) shall be equivalent to mailing.

- C. Cancellation shall not affect coverage on any shipment in transit on the date of cancellation. Coverage will continue in full force until such property is safely delivered and accepted at place of final destination.
- D. In the event of non-payment of premium this policy may be canceled by the Company(ies) by mailing to the Insured at the address shown in A. above stating when, not less than 10 days thereafter, such cancellation shall be effective.
- E. Lockton Inc. will maintain and provide a list of all of the Additional Insured(s), Mortgagee(s) and Loss Payee(s) (including all necessary contact information) to the Company(ies) within 30 days of cancellation.

37. VACANCY

Permission is granted to cease operations or remain vacant and/or unoccupied without limit of time, and such vacancy and/or unoccupancy shall not affect the insurance provided under this policy provided that any existing protective safeguards (including but not limited to security, automatic sprinkler protection) are maintained. For purposes of this coverage, locations are considered "vacant" and/or "unoccupied" if sixty nine percent (69%) or more of the total building area is vacant or unoccupied.

38. JOINT LOSS AGREEMENT (AS APPLICABLE)

With respect to insurance provided by this policy, it is agreed that:

- A. If at the time of loss, there is in existence a policy(ies) issued by a boiler and machinery insurance Company(ies) and/or excess Difference in Conditions (DIC) insurance Company(ies) which may cover the same property or cover the location at which the property subject to loss is situated; and
- B. if there is a disagreement between the companies under this policy and such other contract either as to:
 - (1) whether such damage or destruction is insured against by this policy or by an accident insured against by such boiler and machinery insurance policy and/or excess DIC insurance Company(ies); or
 - (2) the extent of participation of this policy and of such boiler and machinery insurance policy and/or excess DIC insurance Company(ies) in a loss which is insured against, partially or wholly, by any one or all of said policies;
 the Company(ies) shall, upon written request of the Insured, pay to the Insured one-half of the amount of the loss which is in disagreement, but in no event more than the Company(ies) would have paid if there had been no boiler and machinery insurance policy and/or excess DIC insurance policy in effect, subject to the following conditions:
 - (1) the amount of the loss which is in disagreement, after making provisions for any undisputed claims payable under the said policies and after the amount of the loss is agreed upon by the Insured and the companies is limited to the minimum amount remaining payable under either the boiler and machinery and/or excess DIC or this policy(ies);
 - (2) the boiler and machinery insurance Company(ies) and/or excess DIC insurance Company(ies) shall simultaneously pay to the Insured at least one half of said amount which is in disagreement;

- (3) the payments by the companies hereunder and acceptance of the same by the Insured signify the agreement of the companies to submit to and proceed with arbitration within ninety days of such payments;

The arbitrators shall be three in number, one of whom shall be appointed by the boiler and machinery insurance Company(ies) and/or excess DIC insurance Company(ies), one of whom shall be appointed by the Company(ies), and the third of whom shall be appointed by consent of the other two; the decision by the arbitrators shall be binding on the companies and that judgment upon such award may be entered in any court of competent jurisdiction;

- (4) the Insured agrees to cooperate in connection with such arbitration but not to intervene therein;
- (5) the provisions shall not apply unless such other policy issued by the boiler and machinery insurance Company(ies) and/or excess DIC insurance Company(ies) is similarly endorsed;
- (6) acceptance by the Insured of sums paid pursuant to the provisions, including an arbitration award, shall not operate to alter, waive, surrender or in any way affect the rights of the Insured against any of the companies.

39. VALUES

The values and schedule of property declared to the Company(ies) at the inception of the policy are for premium purposes only and shall not limit the coverages provided by this policy.

40. CONSTRUCTION SOFT COSTS

"Construction soft costs" are defined to include cost of interest, additional cost of interest, loan points, marketing and promotional cost, taxes, insurance, security, contingency costs, advertising, broker fees, search costs and appraisal, and leasing commissions.

 - (5) Failure by you or your representative to implement reasonable loss control requirements, agreed to by you as a condition of policy issuance, or which were conditions precedent to our use of a particular rate or rating plan, if that failure materially increases any of the risks insured against.

 - (ii) Threaten our solvency.
- (7) A change by you or your representative in the activities or property of the commercial or industrial enterprise, which results in a materially added, increased or changed risk, unless the added, increased or changed risk is included in the policy.

A. Definitions

The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, as amended, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. Certified Act of Terrorism Exclusion

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph B. applies if the location of the Insured's Covered Property or Property Insured is within a jurisdiction that has a Standard Fire Policy law.

If a "certified act of terrorism" results in fire, then we will pay for the loss or damage caused by that fire up to our share of the program limit. Such coverage for fire applies only to direct loss or damage by fire to Covered Property or Property Insured. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage, or to the Legal Liability coverage, or the Leasehold Interest coverage, or the Net Leasehold coverage.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act, as amended, exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, as amended, then we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this policy.

All other terms and conditions remain unchanged.
